## ENERGY ENHANCEMENT

Blacklisted - Critics are lighting a match to.. Critics have branded these movies a "must miss" with a doleful 25 percent "rotten" rating on critics aggregator Rotten Tomatoes. As it currently stands all these movies ranks as a critical dud. "Citizen Kane" 1941 universally known as the greatest picture - where Randolph Hearst, the gazzillionaire who thought that Kane was written to give out bad information about him, immediately bought RKO Radio Pictures who owned Citizen Kane and stopped its distribution, then sent Orson Welles to Brazil to get him out of the way then cut, "The Magnificent Ambersons" to shreds, and then blacklisted Orson so he almost never worked in movies again. "The Last Samurai" 2003 showed how countries were taken over by the elite. Through the long tongued liars writing 100% bad reviews - about one of the best movies ever to have been made!! It was made to fail at the box office. Tom Cruise actor and producer received much bad publicity and was fired by Viacom head honcho, Sumner Redstone, almost destroying his career. "The Golden Compass" 2007 was about cutting children off from their Souls, - "Just a little snip" - Zombification, with obvious reference to the Lobotomy of "Man of Steel" Zack Snyder's, "Sucker Punch". 100% bad reviews for one of the best movies ever to hit the screens. Future movie trilogy wastebasketed. Stars blacklisted. New Line and its head Robert Shayler who had just produced The Lord of the Rings Trilogy making 3 Billion Dollars in the process - also a black mark - were disbanded and fired. "The Last Airbender" 2010 Again, 100% bad reviews for an amazingly good movie. The Best!! Director Shyalmalan blacklisted. Future movie trilogy wastebasketed. Each of these movies above, like all Spiritual Movies, has been charged with the highest vibrations of Kundalini energy. For those with sight, no further evidence is necessary than that some great soul has deemed it necessary to project his Life into matter so as to make it Art. So do the Lords of Light make it known that they exist, and that the long battle for the Hearts and Minds of men continues against Evil.
